## **DETAILED ACTION**

### ***Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance:

The terminal disclaimer filed on 6/23/2005 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of U.S. Pat. No. 6,818,728 has been reviewed and is accepted. The terminal disclaimer has been recorded. The obviousness double patenting rejection of Office action dated 5/25/2005 has been withdrawn.

Since Applicants' amendment to claim 31 in a response filed 5/5/2005 clarifies the scope of instant invention, the rejection under 35 U.S.C. 112, second paragraph in Office action dated 4/7/2005 has also been withdrawn.

Finally, the Examiner repeats (see Office action dated 11/10/2003, page 3) the reason of allowance as follows: claims 1-3 are allowable over the prior art reference Ash (US 5955015) because there is no disclosure of polyketone solutions with calcium or iron salts within the amounts and combinations as stated in the instant claims and there is no reasonable motivation for so using. Since claim 31, added 2/15/2005, is depended upon allowable claim 1, it is also allowed.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
